Arnold Palmer Spirit of Hope Award

The Arnold Palmer Spirit of Hope Award is presented annually to individuals who serve as an inspiration to children all over the world. This year's award went to Bill Hillgrove. Bill is the play-by-play broadcaster for the Pittsburgh Steelers radio broadcasting network and the University of Pittsburgh football and basketball teams. Bill is the senior member of the WTAE-TV sports team, serving as the Steelers Insider. Bill sponsors an annual golf tournament for the UPMC Cardiovascular Institute. Adelphoi is proud to add Bill to the list of honorees.

Adelphoi Lifetime Achievement Award & Adelphoi Humanitarian Award

Fran Marasco was presented with the Adelphoi Lifetime Achievement Award. Fran has been chair of the golf committee since 2004. Through Fran's efforts there were over 150 golfers at the golf outings each year.

John Rusbosin received the Adelphoi Humanitarian Award. John has been a member of the golf committee for over twenty years. John has followed his parents by giving back to the community. John has dedicated many hours to expanding our annual event. Fran and John — Thank you!
